

# SILENZIO

CO Hatch, Miami

## What Is Silenzio...

Silenzio is Creative Palettes new proprietary 100% recycled, class "A" acoustic material. These panels can be imaged and or cut to your exact custom specifications. You can significantly reduce ambient echo and distracting noise by employing beautifully printed Silenzio in a wall mural, framed picture or even as beams!

## Why Use Silenzio...

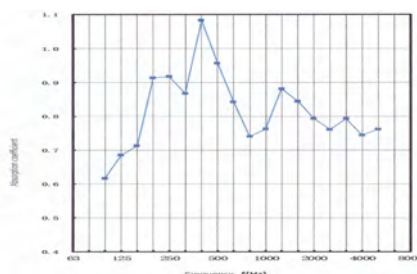

100% Customizable at an affordable rate.

Creative Palette sources the raw material directly from the manufacturer so we can pass tremendous savings on to you. Combined with our print, CNC and manufacturing facility centrally located in Ohio, you have unlimited options for your acoustic needs.
